

YOUTH PHILANTHROPY INITIATIVE

of the Knox County Foundation

2019 GRANT APPLICATION

***** Submission Deadline is February 28, 2019 *****

INSTRUCTIONS

1. Please do not exceed the space provided for each response, or otherwise cause the YPI Grant Application to exceed three pages in length. Please print and mail, or hand-deliver, one copy of your completed application and attachments to the address below. Please be sure all required information and attachments are submitted. **Incomplete or handwritten applications will be returned.**
2. Grants from the Youth Philanthropy Initiative may be requested by charitable organizations in any amount up to a maximum of \$5,000. In addition to grants to charitable organizations, the Youth Philanthropy Initiative invites students from any Knox County school, under the direction of a faculty advisor, to apply for a student-led charitable project of up to \$500. These projects can be school or community-based, but should be a unique and creative philanthropic project addressing the YPI priorities.
3. All grant applications will be considered in a competitive process conducted by the student members of the Youth Philanthropy Initiative. Interviews with prospective grantees will be scheduled during the month of March, with grant announcements anticipated on or about April 15, 2019.
4. YPI grants are intended to address the needs of Knox County youth, age 0 to 18. Special consideration will be given to programs that target YPI priorities, as determined by its recent needs assessment: alcohol and drug use, bullying and discrimination, risky sexual behavior, academic underachievement, & career/college prospects after graduation.
